

# Have a look into your new community

This is just an excerpt of a system still in development. Many of the functions are still rudimentary and have a basic design

# General overview of functions of the community

- Calendar (Google Typo3-PlugIn)
- Data upload / download
- Enhanced video editing (That will be a third-party tool)
- Group areas
- Event management
- Paying module for events
- Social media: FB and Twitter integration (automated upload of website content to FB)
- Timeline incl. Assessment of arguments by assigning up to 5 stars
- Voting (e.g. for elections to boards)

# Registration to the system

- This will be individualised based on the needs of the organisation and their eligibility criteria.

# Community members & filters

- Members can find/filter for specific members:
  - Masters programme
  - University mobility
  - County of residence
  - Etc.

The screenshot shows a web interface for 'Communities'. At the top, there is a search bar with 'Alex Mc' and a dropdown menu. Below the search bar are several navigation buttons: 'Registration Template', 'Login Template', 'Forgot Password Template', 'Person List Template' (which is highlighted), 'Timeline Template', 'Menu 1', and 'Menu 2'. The main content area is titled 'Public Profiles' and displays six profile cards in a grid. Each card has a teal header with a profile picture icon, a name, and an '@' symbol. Below the header is a white box with 'About me:' and a search icon. The profiles are: Karolin Haile, stefan heinrich, id-5c6d105c82a63, Gereon Müller-Chorus, mipos, and Franky. To the right of the profiles, there are two text blocks: 'Some kind of Filter & Search' and 'Some other Teaser or misc. Stuff', both containing placeholder Latin text.

# Community groups and sub groups
